Midwest Clean Diesel Initiative Presents

Learn More About It:

Diesel Engine Repowers and Upgrades

**On-road and non-road diesel engine repowers and
EPA-certified engine upgrade kits provide environmental
benefits while extending the life of your vehicle**

Agenda

- Introduction: Tony Maietta, EPA Region 5
- EPA Overview: Frank Acevedo, EPA Region 5
- Caterpillar Presentation: Jeff Jacobs
- Cummins, Inc. Presentation: Ron Merkel

Before we begin

- Today's webinar: First in a series on repowers
 - Marine, Locomotive repowers next month
 - Grants tie-in: later webinar (possibly national, not MCDI)
- Q&A time after presentations
 - Type your question at any time!
- Materials will be available on MCDI web page
